

The 213-hectare (526 acre) campus is a beautiful and dynamic setting for scholars in 16 facilities, 53 departments and more than 30 research institutes and centers. Our 1,917 full-time equivalent teaching and research faculty are actively engaged in research and scholarship. With over 2,500 full-time equivalent support staff, the university is Calgary's fourth largest employer.

Nearly 30,000 full-time equivalent students, including 900 international students from 87 countries, are enrolled in undergraduate, graduate and professional degree programs. This year, the university intends to graduate its 100,000th alumni.

About South River Technologies

South River Technologies, headquartered in Annapolis, Maryland, develops Internet file management software that is used for file collaboration, website management and shared access. SRT's unique client technology creates an instantly familiar interface by integrating seamlessly into the Windows Operating System. Founded in 1996, South River Technologies directly sells and markets Windows based utilities and licenses its technologies to Software Publishers and Independent Software Vendors.
